

Attended online meetings on discord to share what has been done and what to work on.

Time spent: 1 hour

24th November

Worked on improving some navigations. Some pages were not going where it is supposed to go, so I fixed those.

Time spent: 1 hour

26th November

Worked on the delete button. A teacher can now delete a team and the students in it now become available again.

Time spent: 4 hours
